## WALK TO FIGHT HUNGER

Members of the Seminary community are reminded of the CRDP walk to fight hunger to be held on April 25 from New Oxford to Gettysburg. It is hoped that many of the community will participate in this walk to show support for this organization's activities and also to help raise money to help feed those who are hungry.

Pledge envelopes and information on the event are available by the mailboxes in Valentine Hall. You are urged to pick up a packet and take part in this worthwhile event. Let's stop talking and start doing.

## ATTENTION CIGARETTE SMOKERS!

Here's your chance to put those empty cigarette packs to work. A young boy enrolled in the Reading School District's Head Start program is in need of intensive medical care, including the use of an iron lung. A cigarette manufacturer has pledged to pay for one minute of the iron lung's use for every one hundred empty cigarette packs (any brand) collected. You can help by depositing your empty packs in the box placed in the snack bar or by giving them to any resident of Krauth Hall.

joe scholtes

## CONGRATULATIONS:

Table Talk joins the community in congratulating Mr. and Mrs. Dave Howell on the birth of their baby girl.

## ELECTIONS

Don't forget the Student Association elections in the coffee shop Tuesday, April 13. Candidates running for office are:

President: Randy Neubauer  
Bill Stickley

Treasurer: Dwane Michael  
Al Wenrich

Also on the ballot will be a proposal for the raising of the annual Student Association dues from the present \$9 per student (\$3 per quarter) to \$12 per student (\$6 per semester).

Don't forget to vote Tuesday.

## ECOLOGY PROBLEM

Believe it or not, pollution of the environment has reached even the Seminary level. Have you walked into any classroom lately immediately following any given class? Wherever you turn you are confronted with empty coke bottles or empty and usually mangled coffee cups. There have been several complaints to this effect and it is asked that those who like to mix drinking and learning also take the responsibility to dispose of the empties. Pollution is a problem even in ivory towers and the concern for ecology starts at home.

## PUBLICATION SCHEDULE

Next issue of Table Talk, April 27  
Deadline for articles, April 24

## SPORTS

With basketball season rapidly drawing to a close, spring sports are beginning to take center stage.

The Seminary team finally pulled off a victory in the town basketball league with a great display of teamwork and shooting consistency, defeating the Westinghouse team. With 4 games to go the record stands 4-9. The rest of the schedule stands thus:

Mon. April 12 vs. Biglerville  
Thurs. April 15 vs. Knouse  
Mon. April 19 vs. Texas Lunch  
Mon. April 26 vs. Jaycees

The Seminary tennis tournament has also gotten underway. At the time of this writing no matches had yet been played, but schedule and results of both singles and doubles are posted on the bulletin board in the basement of Valentine Hall.

And the Seminary chess tournament will be moving into its third round on Tuesday of this week. Results and standings are also posted on the bulletin board in Valentine Hall.

---

## POP MUSIC LOVERS

Tom Jones (yeah, gasp, nant) will be appearing in person at the Hershey Stadium Friday night, June 18, at 8:30.

## THOUGHT QUESTION:

One would expect to find at a Christian Seminary people who are able to generally hang pretty loose, who are generally pretty flexible. Then how come it is precisely here one finds the most close minded, inflexible people to be found anywhere?

## TABLE TALK TO SPONSOR WALKER

The staff of Table Talk announces that it will be sponsoring a walker in the CROP walk for hunger. Joel Springer will be walking under the sponsorship of Table Talk which has pledged \$5.00 a mile to the program.

## STUDENT ASSOCIATION MINUTES April 6, 1971

The fifth meeting of the Student Association for the academic year 1970-71 was called to order by the president, Bill Scholl.

Nominations for the offices of Student Association president and treasurer were entertained from the floor. Randy Neubauer and Dwane Michael had previously petitioned to be candidates for president and treasurer, respectively. The floor nominated, in addition, William Sticklely for president and Alan Wenrich for treasurer. The elections will be held in the coffee shop on Tuesday, April 20.

It was decided that a proposal raising the annual Student Association dues from the present \$9 per student to \$12 per student will also be placed on the ballot.

The Ecumenics Committee proposed that 50% rebates would be granted to those students who drove to the Washington weekend. This would constitute a total of \$59.25. It was also proposed that some funds be earmarked to sponsor a walker or walkers in the CROP 10-mile walk scheduled for April 25. Bill Scholl assured the committee that they are empowered to use committee funds in any way they see fit. He also urged participation in the CROP drive, both as sponsors and as walkers.

It was moved and carried that the meeting be adjourned.

Respectfully submitted,  
Caroline Stumpf,  
Student Association  
Secretary
