TO STUDENTS, STAFF, AND FACULTY:

As our year on the faculty of Gettysburg Seminary comes to a close we want to express our deep gratitude to all of you for a rich experience. We are deeply grateful

-to you who are students, for what you have helped us to learn;

-to you on the staff, for all you have done to assist us in our teaching task;

-to you on the faculty, for permitting us to share with you in a great ministry;

and to everyone for your warm acknowledgment of our presence, your friendship and many kindnesses.

As we return to our work in the offices of the American Lutheran Church we carry away a warm glow and some great memories. After June 7, our address will be;

6529 Wilryan Ave.

EDITORIAL HOUSEKEEPING

This is the last issue of Table Talk for this year. I hope you have had as much fun reading it as I have putting it out. And I hope you have found it worth the time to read. Many thanks to all who have contributed

The stencils, stapler, and staff has been officially passed on to Harry Wolpert who will be serving as editor for next year. We wish him the best.

To those going on to CPE, to those going on to internship, to those going on to graduate school, to those going on to ordination, and too all who read this--

The Lord bless and upset you, and disturb you in your heart so that you may become an instrument of His Word to all people.
