BIOGRAPHICAL INFORMATION

The American Lutheran Statistical Association was organized in 1917. The aim of the group was to “bring men together for the discussion of statistical problems, particularly those of the Lutheran Church, and, in other ways, to promote the gathering of statistical material and the proper presentation and diffusion of same.” (Pamphlet, Box 1, folder 1)

SCOPE AND CONTENT NOTE

This collection contains annual convention minutes, programs, membership list, newsletters, and statistics.

RESTRICTIONS

This collection is open for research.

REPRODUCTION

Permission to publish, quote, or reproduce must be secured by the Seminary Archives. Contact the archivist for more information.

PROCESSING NOTE

This collection was originally processed by Harold Robinson in December 2013. The collection was consolidated from 21 folders to 6 folders by Matthew Kayhart and the finding aid was updated by Sheila Joy in March 2019.
